

ANDREA DICENSO

Andrea DiCenso is a co-portfolio manager at Loomis, Sayles & Company, where she co-manages the multi-asset credit and emerging markets debt blended total return strategies. She is also a senior strategist for the alpha strategies group and oversees all FX and commodity activity for the firm's multi-asset product suite, and is primarily responsible for asset allocation, idea generation, portfolio construction and risk management. Since 2009, Andrea has been a strategist within the alpha strategies group, implementing emerging market and commodity related themes within the long-only and multi-asset products at the firm. She joined Loomis Sayles in 2006 as a junior analyst covering the investment grade and high yield commodity related sectors. She began her investment industry career in 2003 at Fidelity Investments as a financial analyst. Andrea earned a BS in finance from Bentley College and an MBA from Northeastern University.
