

MEREDITH M. PALLONE

Meredith Pallone is a senior credit research analyst at Loomis, Sayles & Company, where she covers Latin American companies in the pulp & paper, protein, food & beverage, logistics & transportation and oil & gas industries. She joined Loomis Sayles in 2013 and has 19 years of investment industry experience. Previously, Meredith was an officer at State Street Corporation, building financial models and performing business valuations for financial reporting. Prior to this, she was a project analyst at Gordon Brothers Asset Advisors, where she provided full analytical support of the asset valuation business. Meredith earned a BS in International Business with concentrations in Finance and Spanish from Northeastern University.
